The screenshot shows the IBM Cloud Account page. The left sidebar contains a navigation menu with options: Account, Account resources (Resource groups, Cloud Foundry orgs, Licenses and entitlements, Tags, Dashboards), Account settings, IBM Cloud Shell settings, Notification distribution list, Classic infrastructure (Subscriptions, Audit log, Company information). The main content area is titled 'Account' and features four cards: 'Account settings' (Upgrade your account, activate special features, and redeem discounts.), 'Resource groups' (Group your resources so you can quickly assign users access to multiple resources at a time. Resource groups are available for all resources that are managed by IBM Cloud Identity and Access Management.), 'Cloud Foundry orgs' (Adjust resource quotas, users, spaces, and custom domains.), and 'Licenses and entitlements' (Assign licenses to your account for account members to use when). A 'Tags' card is also visible, stating 'Use tags to manage your resources.' A blue chat button is located at the bottom right.

The screenshot shows the IBM Cloud 'Select dashboard' page. The left sidebar contains a navigation menu with options: Select dashboard, Upgrade account, Create resource, and a list of dashboard icons (vm, etc.). The main content area is titled 'Select dashboard' and features a search bar and a list of dashboard options. A blue chat button is located at the bottom right.
